

Executive Roundtables

Executive Roundtables are unique opportunities to network with peers and participate in deeper dive discussions of topics critical to non-profit sustainability and growth. Isn't that worth the investment of your morning?

Why come?

- Connect with your peers, learn new ways of thinking, and get inspired!
- Walk away with valuable insights you can take back to your organization and begin to implement immediately.

Key Take-Aways

- Learn what has worked well in other peer organizations around a specific topic.
- Gain a deeper understanding of a topic critical to long-term sustainability.
- Deepen your professional network of other CEOs and Executive Directors.
