

Leadership Intensives

Leadership Intensives are for CEOs ready to commit to spending a full day getting clear about how to leverage their time and resources over the next quarter, to achieve the best results possible for their organization.

Approach

Spend a day with three other CEOs and Teri with her team. Assess your organization's sustainability. Gain insights into your leadership and your organization's potential. Craft a plan to achieve your best results in the coming quarter, with ongoing coaching and support.

Duration: 3 months

Why come?

- Connect with your peers, learn new ways of thinking, and get inspired!
- Walk away with valuable insights you can take back to your organization and begin to implement immediately.

Key Take-Aways

- Get crystal clear about your biggest opportunity now.
- Assess your leadership through the lens of a proven model for organizational sustainability.
- Develop an action plan and focus for the next quarter you can start implementing immediately.
- Receive powerful follow-up coaching and support.
